1. About 15 September 1950, construction work was seen being done at the Postoloprty airfield. According to local inhabitants, underground hangars are being built there.
2. The airfield at Cheb, which was damaged during the last war, is being restored. The debris is being removed and the hangars are being hastily repaired.
3. Between Lodenice (N51/L49) and Dusniky (N51/L67) an emergency airfield was seen; it was not observed there in the month of July 1950. An anemometer was situated near the highway, and the entire surface of the airfield was marked with triangles made out of white-colored planks.
4. Runways for jet aircraft are under construction at the military airfield of Ceske Budejovice.
